BethShip's Log

The Official Newsletter of the Bethlehem Shipyard Museum
Vol. 2, Issue 1 – November 2, 2014

A not-for-profit museum whose MISSION is to connect the past with the future by preserving the history of the industrialization of the San Francisco Bay Area from 1849 to the present and honoring the dignity and value of the skilled labor that made it possible.

Friends,

With over 800 members, an informal email has become the most efficient manner to reach out to you between quarterly newsletters. Eventually, I hope you'll become accustomed to following us on our website <http://www.bethship.org/> and our Facebook page for the latest news.

In the past two months our exhibits have been viewed at the following community events:

- **Grand Opening of the UCSF Medical Center at Mission Bay**
- **2014 Potrero Hill Festival** - the second year we've participated
- **2014 Potrero Hill History Night** - premier of "Lost Irish Hill" slideshow. Project is a partnership between the Museum of San Francisco, the Potrero Hill Archives Project, Steven F. Herraiz (founder of the project), and the Bethlehem Shipyard Museum.

We have several upcoming events to finish off the year. Please make plans to join us in our celebration of history.

- **November at Farley's Coffee (1385 18th Street in San Francisco) features a show of neighborhood maps all month long**
Opening event on November 8th from 6-8 PM

- **The November issue of the Potrero View will contain several pages of historic Potrero Hill maps suitable for framing.**
Pick up a copy at any neighborhood business
- **November meeting of the Central Waterfront Advisory Group (Port Offices at Pier 1 - 5:30 PM)**
We will make a short presentation about our participation at Pier 70
- **Election Day on November 4, 2014**
Don't forget to exercise your right to vote
- **The Annual Bethlehem Steel Retiree Organization Luncheon**
December 1, 2014, at the Elk's Club, Hillside Boulevard & Stonegate Drive, South San Francisco. For further info call: Rich Cassinerio (916) 865-9764

Board Member Dennis Koller has just finished his second novel. It is a mystery/thriller named *Kissed By The Snow* and has received great reviews. For every book Dennis sells to our members, he has generously offered to donate his profit back to the Bethlehem Shipyard Museum (\$4 per book). To buy the paperback and benefit the Museum, just click on this link - <https://www.createspace.com/4870395> and type in this tracking code **DWBY4SD6** when prompted at checkout. Tell all your friends about this opportunity to read a great novel while at the same time helping the Museum make some needed funds. Learn more about Dennis at <http://www.denniskoller.com>

Lastly, we'd like to send our condolences to Everardo Mora who recently lost his father. He was a remarkable man and a great role model for Everardo. Our prayers are with him and his family at this time of sadness.

Sincerely,
Bill Perez
